WHAT'S DOING

R. S. Pyle, your Telephone Manager in Torrance

Lorie V. Hallenbeck of 234th St., Torrance, shown working at her information board position. Approximately 3000 school children will be visiting our new information office, May 8, 9, 10. Also the general public is invited between 1-9 p.m. on May 9 and 10. There will also be many displays and demonstrations by installation and construction crews — PLEASE COME — YOU ARE VERY WELCOME.

Going to Disneyland? While you're there, you can also take a fascinating trip across the United States. How? Just drop by the Bell System's popular exhibit and see the Circarama film, "America the Beautiful." Filmed by the Walt Disney Studios, Circarama surrounds you on a giant 360-degree screen and takes you from "sea to shining sea." You'll also see interesting demonstrations from the exciting world of communications. Admission is free and I'm sure you'll enjoy it.

You may have heard the old story about one of our information operators who answered a call and heard a woman ask, "Say, I wonder if you'd mind pulling the cord on your end of the line—mine is too long!" This may be stretching the truth a bit, but it's true we go to great lengths to give good service.

If you're planning on traveling this summer why not take a few moments to phone ahead to make sure you have reservations at your destination? Most people find it often saves trouble and disappointment.
